SENDING DIGITAL FILES

Preferred Digital File Formats

PDF (Portable Document File) - (professionally prepared)

Adobe Acrobat: Press Optimized: composite CMYK;

all fonts embedded; 300 dpi

We can accept both PC & Mac format of the following programs:
QuarkXPress, Illustrator (.eps), Photoshop (.eps, .tif or .psd)

We do not accept word processing documents for ads. All images should be at a resolution of 300 dpi as CMYK or grayscale Tiffs. Photoshop bitmapped Tiffs should be 1200 dpi. We can accept PostScript fonts only (*please include suitcase and printer fonts*). Files created in Adobe Illustrator should be saved as .EPS prior to submission. All images placed within the file should be included in case there is a problem during output; all fonts must be outlined.

Proof Specifications:

In order to ensure accurate and professional printing all two-, three-, and four-color ads must be submitted with either a Kodak Approval, Imation Matchprint, Digital Halftone, or SWOP certified proof. All contract proofs must be made according to SWOP standards and must include color bars. Proofs that do not meet SWOP criteria will be used for color break only. All digital ads must be accompanied by one content (laser) proof that is an identical match to the furnished file. We maintain the highest standard for printing excellence and our goal is a high-quality reproduction. Following these guidelines will help ensure that your ad prints properly. Information on SWOP standards can be found at www.swop.org.

PRODUCTION CHARGES

We have full ad production services available, including photography and design. Ads requiring contract proof output will be billed to client at cost. Prices for other services will be quoted on a per-job basis.

Circulation

Hobby Merchandiser is celebrating more than 71 years of service to the model hobby industry. Our foundation is a solid circulation, built and maintained with the most effective programs. In the United States, more than 5,000 of the most active hobby and toy buyers receive Hobby Merchandiser each month. Overseas, HM's circulation steadily increases in direct proportion to the international demand for U.S. hobby products.
